O'LIVE FITNESS WORLDWIDE

We have direct world-wide presence in more than 40 countries in addition to distributors covering more than 60 countries. Our head office is located in Barcelona, Spain.

Our products are developed within a global context, by multicultural teams supported by regulatory experts with in-depth knowledge of the world's different health systems.

Products developed for an international market

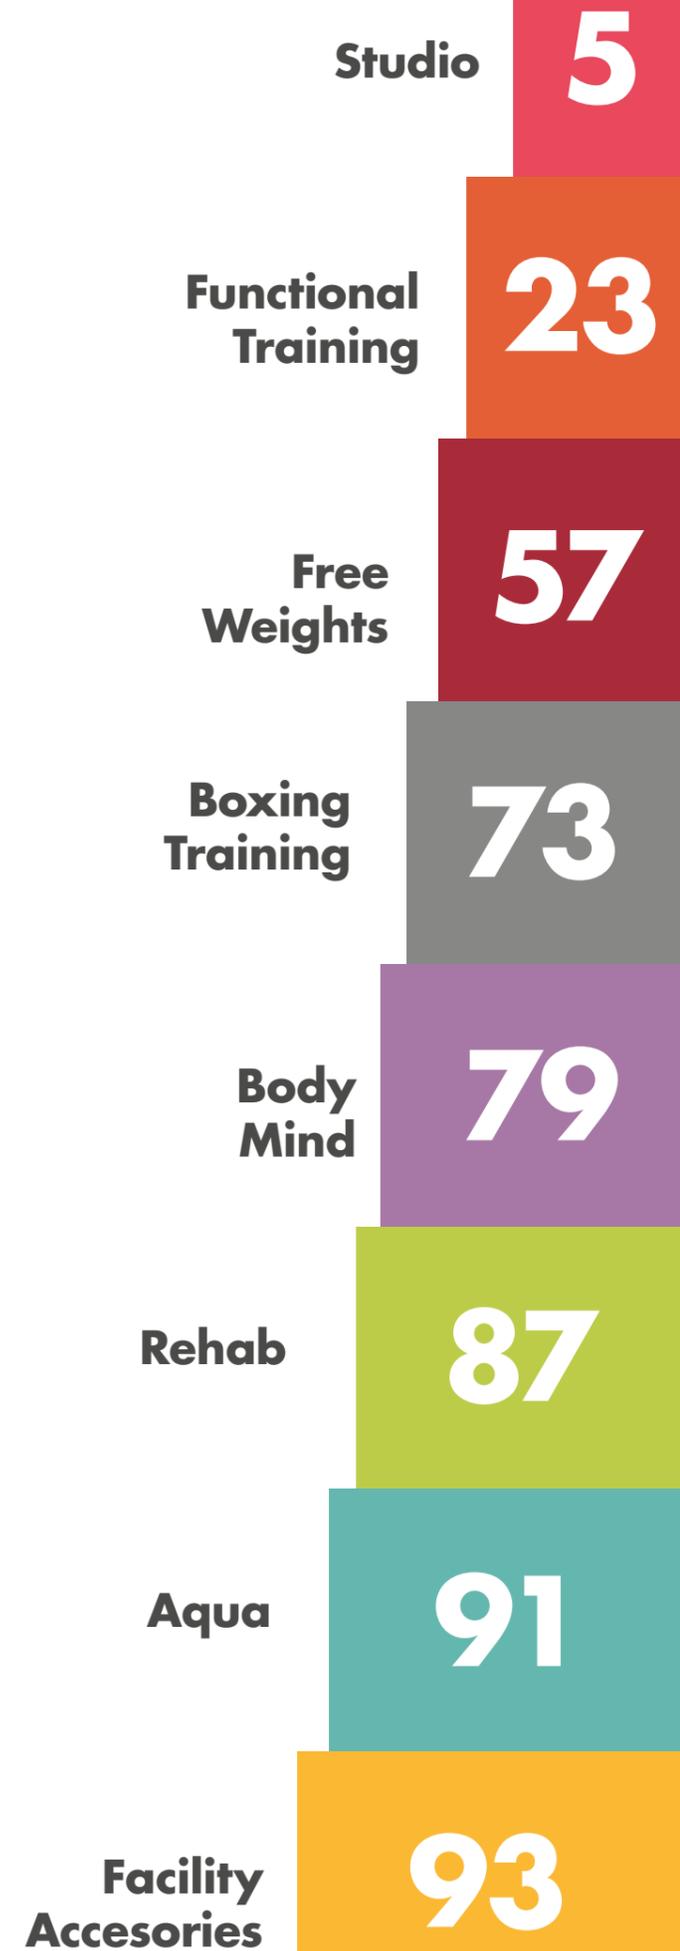

O'Live Fitness puts at your disposal many different references to hit the spot, mold your idea and make it a reality.

We have not changed, we have evolved, thanks to 29 years of experience in the market, as one of the first brands dedicated to design fitness products in Europe. Our concept takes a turn in favor of the client being able to develop turnkey projects.

Renew your space, give it a new air or just make it modern and functional with the latest solutions for the fitness world.

Multiple Rack Small Flat Shelf

Flat shelf perfect to store Kettlebells, slam balls, sand discs or studio dumbbells. Shelf suitable for Multiple Rack or O'Live Functional Rigs.

Ref.: MU15400
 Dimensions: 168 x 26 x 15 cm

Multiple Rack Column

Supports to hold the shelves. Each Multiple Rack requires at least two columns. Sold per units.

Ref.: MU16400
 Dimensions: 6 x 62 x 205 cm

Multiple Rack Box Shelf

Box shelf, ideal to store Power Disk bars and clips. It can be used to store other products such as bands, ropes, etc... Shelf suitable for Multiple Rack or O'Live Functional Rigs.

Ref.: MU15500
 Dimensions: 168 x 30 x 40 cm

Multiple Rack Versatile Shelf

Shelf to store mats, tubes, ankle weights, etc. It comes with 4 supports, allowing to store up to 40 mats (1 cm thick) or 40 elastic tubes. Possibility to add more supports (MU15600). Shelf suitable for Multiple Rack or O'Live Functional Rigs.

Ref.: MU15900
 Dimensions: 168 x 21 x 14 cm

Multiple Rack Power Disk Shelf

Shelf to store up to 9 Power Disk complete set discs. Shelf suitable for Multiple Rack or O'Live Functional Rigs.

Ref.: MU16000
 Dimensions: 168 x 35 x 15 cm

Multiple Rack Ball Shelf

The ball shelf can store up to 4 functional balls, 6 medicine balls or 2-3 fitness balls depending on the diameter. Shelf suitable for Multiple Rack or O'Live Functional Rigs.

Ref.: MU15800
 Dimensions: 168 x 26 x 15 cm

Multiple Rack Discs / Bosus Shelf

Shelf for storing bumper plates or balance trainers. Suitable for O'Live Multiple Rack or any O'Live Fitness functional rigs. Holds up to 6 Balance trainers. Capacity will vary on the bumper plates depending on their size.

Ref.: MU16300
 Dimensions: 168 x 48 x 20 cm

Multiple Rack Big Flat Shelf

Suitable to store Hex or Pro-Style dumbbells, or any other product that requires a wide base. Shelf suitable for Multiple Rack or O'Live Functional Rigs.

Ref.: MU15700
 Dimensions: 168 x 45 x 16 cm

Multiple Rack Versatile Shelf Supports

Extra supports to be used on the Versatile Shelf (MU15900), with the aim of increasing the storage capacity for elastics, ankle weights, etc...

Ref.: MU15600
 Dimensions: 30 x 6 x 7,5 cm

GHD

With fully adjustable foot holders for excellent stability. The resting support provides a stable position for exercise preparation. All pads and rollers are made of dense foam for maximum durability. Attachment points allow using elastic bands.

Ref.: EN51500

Dimensions: 180 x 83 x 140 cm
Weight: 64 kg

AB Mat

Lower back contoured design, which provides support and avoids skin rash.

Ref.: EN51400

Dimensions: 30 x 39 x 9 cm

Pro Push Up Bar

Designed to relieve stress on your wrists and hands. Vinyl handles provide comfort and durability. Rounded design with rubber base for maximum stability and grip.

Ref.: EN36300

Functional Hurdle

For arms, chest, back and core workout using your own body weight. Also for agility sport training. Sold in pairs.

Ref.: EN39200

Dimensions: 60 x 38 x 73 cm
Colour: Red

Crosstraining Parallels

Its design allows stability and resistance under great weights and efforts. Coated with textured paint for optimal grip. Sold in pairs.

Ref.: EN52600

Dimensions: 56 x 30 x 33 cm
